NIREY ELECTRIC KNIFE SHARPENER KE500

A must-have for every professional chef, butcher, or catering establishment.

The Nirey KE-500 Commercial Electric Knife Sharpener is a high-performance sharpening system designed for both **European and Japanese style blades**. Built for frequent use, this commercial-grade sharpener ensures your knives remain razor-sharp with ease and precision.

KEY FEATURES

- **Commercial & Domestic Use**
ideal for professional kitchens, butchers, hunters, fishermen, and serious home cooks.
- **Superior Sharpening System**
precision-engineered v-shaped zones guide the blade at the perfect angle for a flawless edge.
- **Quiet & Efficient**
upgraded gearing for reduced noise, making it quieter than smaller consumer models.
- **Durable & Reliable**
designed to withstand frequent, heavy-duty sharpening, providing years of consistent performance.
- **Easy to Use**
simply guide the knife through the cushioned zones for safe, accurate sharpening.

WHAT'S INCLUDED

- Nirey KE-500 Commercial Electric Knife Sharpener
- Instruction manual for quick and easy setup

OPTIONAL EXTRAS

- Depending on your knives and sharpening needs, you may wish to purchase additional abrasive belts to achieve the perfect edge.

WHY CHOOSE THE KE-500?

- Minimal maintenance required
